PROFESSIONAL EXPERIENCE

Skye Air Mobility | Delhi, India

UI/UX Designer | Nov 2025 – Present

- Designed end-to-end UX for three enterprise products including a customer delivery portal, UTM dashboard, and Fleet Management System.
- Translated complex logistics and airspace workflows into intuitive dashboards, status indicators, alerts, and role-based experiences.
- Created user flows, wireframes, prototypes, and high-fidelity interfaces for operational workflows.
- Collaborated with Product Managers, Engineers, and operations teams through design reviews, usability testing, implementation, and QA.

Kickr Technology | Noida, India

UI/UX Designer | Aug 2024 – Oct 2025

- Designed and shipped UI/UX for 20+ mobile games and applications including Queen Ludo, Coin Ludo, Dino, Worm IO, and YourGynac.
- Designed complete experiences covering onboarding, navigation, gameplay HUDs, match lobbies, rewards, and key product states.
- Built reusable UI components and design systems in Figma to improve consistency and development handoff.
- Collaborated with Product Managers and Engineers from requirements through implementation and QA review.

Xomach Infotech Pvt Ltd | Delhi, India

Graphic Designer | Mar 2024 – Aug 2024

- Designed digital creatives and branding assets while developing a strong foundation in visual design, typography, and digital communication.
