

LAXMI

UX DESIGNER

Delhi, India | laxmivk2410@gmail.com | +91-7701931540

Product-focused UI/UX Designer with over 2.4 years of experience architecting intuitive, scalable digital interfaces across B2B logistics platforms, mobile applications, and consumer gaming products. Adept at bridging the gap between business strategy and user needs by leveraging user research, structured design systems, and rapid prototyping. Combines a technical BCA foundation with ongoing MBA insights in Product Strategy to collaborate effectively with cross-functional engineering and product management teams.

SKILLS

- **UI/UX & Product Design:** Wireframing, High-Fidelity Prototyping, Design Systems, User Flows, Information Architecture
- **User Research & Strategy:** Usability Testing, User Journey Mapping, Personas, A/B Testing, Interaction Design
- **Tools & Technologies:** Figma, Adobe Photoshop, Adobe Illustrator, Jira, Trello, Agile/Scrum Frameworks
- **Domains:** B2B SaaS, Logistics Dashboards, iOS/Android Mobile Apps, Mobile Gaming Architecture

PROFESSIONAL EXPERIENCE

Skye Air Mobility | Delhi, India

UI/UX Designer | Nov 2025 – Present

- Own end-to-end product design life cycle for high-traffic internal dashboards and autonomous logistics platforms.
- Architected a scalable, reusable component library and design system in Figma significantly reducing front-end development hand off friction and accelerating design-to-production velocity..
- Translated complex logistics telemetry data into intuitive user flows and interactive wire frames, streamlining operator workflows and improving task completion efficiency.
- Spearheaded iterative usability testing sessions with internal stakeholders, identifying and eliminating workflow bottlenecks to boost platform adoption.

Kickr Technology | Noida, India

UI/UX Designer | Aug 2024 – Oct 2025

- Designed the end-to-end interface architecture and core interaction loops for major mobile gaming titles, including Queen Ludo, Dino, and Worm IO.
- Transformed complex game mechanics into clear, high-fidelity UI screens and interactive prototypes, measurably boosting day-1 user retention and engagement.
- Conducted extensive user testing and data-driven design optimizations that resolved critical drop-off points in the onboarding flow.
- Collaborated daily within an Agile environment with Product Managers and Engineers to ensure pixel-perfect asset implementation and technical feasibility.

Xomach Infotech Pvt Ltd | Delhi, India

Graphic Designer | Mar 2024 – Aug 2024

- Developed cohesive visual identity frameworks, branding assets, and high-engagement digital marketing collateral.
- Partnered with marketing teams to translate brand identity guidelines into scalable visual assets, increasing click-through rates across digital channels by 82%

EDUCATION

- **MBA (Online) in Marketing & Product Strategy** | Sikkim Manipal University **Expected 2027**
- **Bachelor of Computer Applications (BCA)** | Institute of Technology and Science **2024**

CERTIFICATIONS

- **Advanced UI/UX Design Specialization** – Ducat Ghaziabad
- **Google UX Design Professional Certificate** – Coursera
